## Scoring Criteria for Residential and Economic Development Projects (Project Name)

Instructions: Assign 1 - 10 points for each area of consideration (Importance, Safety, Commitment, Community Benefit, and Long Term Benefit). Please use whole points - do not assign fractions of points.

Use the listed criteria as examples to assist in allocating points within each area.

## 1. Project Importance

Consider criteria such as (but not limited to):

- Project stabilizes the structural or mechanical integrity of an asset.
- Project improves or creates an asset that is currently in high use or demand
- Project improves or creates an asset to meet new demand
- Project improves the functionality of an asset

	Points Possible	Points Awarded
Project Importance Score:	10	

### 2. Residential and Economic Benefit

Consider criteria such as (but not limited to):

- Project improves the City's housing stock.
- Project creates or improves job opportunities
- Project improves business development
- Project improves safety

	Points Possible	Points Awarded
Residential and Economic Score:	10	

### 3. Demonstrated Commitment

Consider criteria such as (but not limited to):

- Continued funding is needed to deliver expected services or to preserve an asset.
- Project leverages outside funding.
- Project has been proposed in previous cycles
- Proposal demonstrates evidence of collaborations or partnerships
- Project demonstrates community support and organizational commitment.

	Points	Points
	Possible	Awarded
Demonstrated Commitment Score:	10
